Why is this happening?

We are considering this action because we have determined that your inventory may be unsuitable. The sale of unsuitable products is strictly prohibited and items sold on Amazon must adhere to all applicable laws and Amazon policies. Failure to abide by these policies may result in disposal of your inventory in our fulfillment centers.

How do I demonstrate authenticity?

In order to demonstrate the authenticity of your inventory, provide supply chain documents that demonstrate your inventory are genuine products and that a plan of action is not necessary. You can submit the following documents:

- Invoices and receipts. You may remove pricing information, but the rest of the document must be visible. For ease of our review, you may highlight or circle the ASINs under review.
- Supplier information including the supplier name, supplier phone number, supplier address, and website.
- Item descriptions.
- Item quantities.
- Import or export documents such as bills of lading, commercial invoices, and packing lists.
- Brand letters authorizing your use of third-party intellectual property.

You should only send .pdf, .jpg, .png, or .gif files. These documents must be authentic and unaltered. Note that we do not accept proforma invoices.

How do I send the required information?

Within 05 days of receiving this notification, submit this information to inventory-appeals@amazon.com.

What happens if I do not send the requested information?

If within 05 days we do not receive the requested information or if you are unable to demonstrate the authenticity of your products, the relevant inventory under review may be disposed of.
